

Antelope Valley Woodturners Association

November 2015

Volume 14, Issue 4

November's meeting had a great turnout. 18 members attended, as well as several family members and guests. Debbie Engle's daughter was a good luck charm, as Debbie cleaned up at the meeting's raffle.

We established a schedule for demonstrators throughout 2016:

January: Steve Moe

March: Bob Clark

May: Don Mourton

July: Martin Littleton

September: Michael Mann

Exact topics will be announced on the Web site as soon as I get the information.

In January, Martin will take orders from anyone who needs CA glue or related supplies. He has a source where he gets this at a far better price than anything you can buy locally. He did mention that orders must be paid in advance, so bring money if you'd like to order.

The challenge at the November meeting was any kitchen implement. Matt Stewart's salt and pepper mills, shown on page 2, won the vote... congratulations Matt!

November's Show & Tell was a small but lovely collection. Don Mourton's olive bowl (page 3) took the prize... Congratulations Don!

Potluck and Auction

In addition to regular club business, the meeting was our annual potluck, and our first annual club raffle. Hopefully everyone left with an empty wallet and a full stomach!

The food was amazing as always. Thank you to Bob Clark, and especially to his wife Marlene, for hosting the party.

The meeting was also our first annual auction to raise money for the club. Thank you to everyone who contributed items to be auctioned. We raised \$367, in addition to the

\$85 from the raffle. There has been discussion about using this money buying a club lathe for demonstrations like the one we did at the fair. More on this coming soon.

Whenever you clean out your garage in the coming year, keep the auction in mind. We hope to make this an annual event.

Wishing everyone a very happy, healthy, and safe holiday season... See everyone next year!

Next Meeting

January 16, 2016
9:00 AM - 12:00 PM
Randy Smith's shop:
36304 52nd St.
East Palmdale, 93552
