

Antelope Valley Woodturners Association

March 2019

Volume 17, Issue 4

Presidents Message

Our January meeting was at Joe Walker Middle School. Steve Moe demonstrated how to turn aluminum on a wood lathe and

make your own faceplates. Steve has the mind of an engineer. Many of the techniques Steve shared can

also be used to drill and tap wooden faceplates and other fixtures for your lathe. I would also like to remind everyone that the Antelope Valley Fair entries are coming-up in July so it is time to get busy making something to show.

I must also report that I was not able to get a guest speaker for the March meeting so I would like to thank Martin for agreeing to host the March meeting on short notice.

January Meeting Notes

Safety Tip

This month's safety tip the president shared this sign he found in the AAW safety manual. He also shared that every time he got injured in the shop it was doing something that he new better than to do.

From the Treasurer

Just a reminder if you have not paid your dues for 2019 our club sure could use the money. The yearly dues are \$25.00 is due starting in January. The biggest single item in our yearly budget is the cost of our insurance the second biggest expenditure in the cost of our gift cards the club buys for the raffle.

March Woodturning Meeting

This year the Antelope Valley Woodturners will have Martin Littleton demonstrating at our March meeting. Martin's demonstrations are always a treat.

The meeting will be 9:00 a.m. on Saturday, March 16, 2019. It should finish about noon.

The location:

Martin Littleton's Shop
9838 Ave. S,
Littlerock, CA. 93543

Directions

From the Antelope Valley Freeway take the off-ramp at Avenue S heading East. At 47th Street East turn Right to Avenue T. Take a Left turn on Avenue T and proceed four miles to 90th Street East. Turn Left on 90th street and proceed to Avenue S.

Turn Right on Avenue S and drive just short of a mile to 9838 Ave. S
